

**Poppy Bag Pattern
For Children**

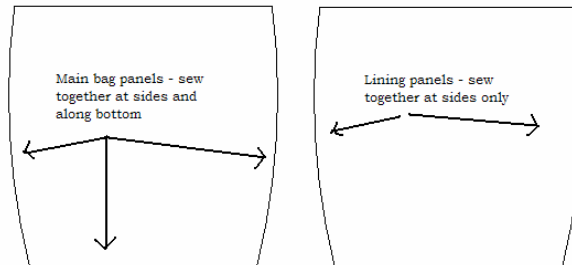

LITTLE BIRD PATTERNS

Children's Poppy Bag Pattern (PDF Promotional Giveaway)

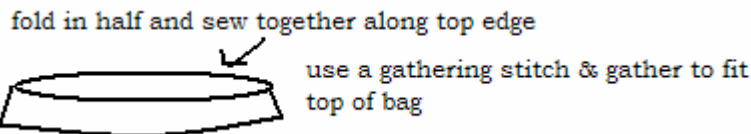

FABRIC REQUIREMENTS: (Based on 112cm width of fabric – (fabric 1 for bag, lining & handles requires 25 cm) (fabric 2 requires 8cm for ruffle plus an offcut piece of fabric for heart motif). If you would like a really gathered full ruffle, double the fabric requirement.

INSTRUCTIONS:

1. Cut two external bag panels plus two lining panels from the enclosed pattern.
2. Cut two handles with dimensions 52cm long x 5cm wide
3. Cut one top ruffle with dimensions 52cm long x 8cm wide
4. Cut one heart motif from the enclosed pattern
5. Sew the heart motif to the right side of the outer bag fabric (just a neat topstitch around it)
6. With right sides together sew sides and bottom of outer bag panels together.
7. With right sides together sew sides only of lining panels together

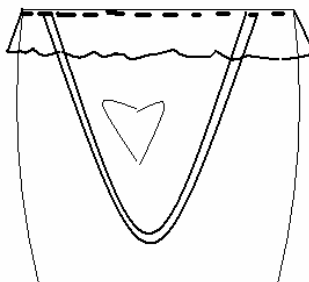

8. With right sides together sew ends of ruffle fabric strip together so that you have a circle. Fold in half (wrong sides together) and use a gathering stitch to sew along the top. (gathering stitch has a long stitch length and loosened tension). Pull the thread to gather the ruffle to fit the top of the bag.

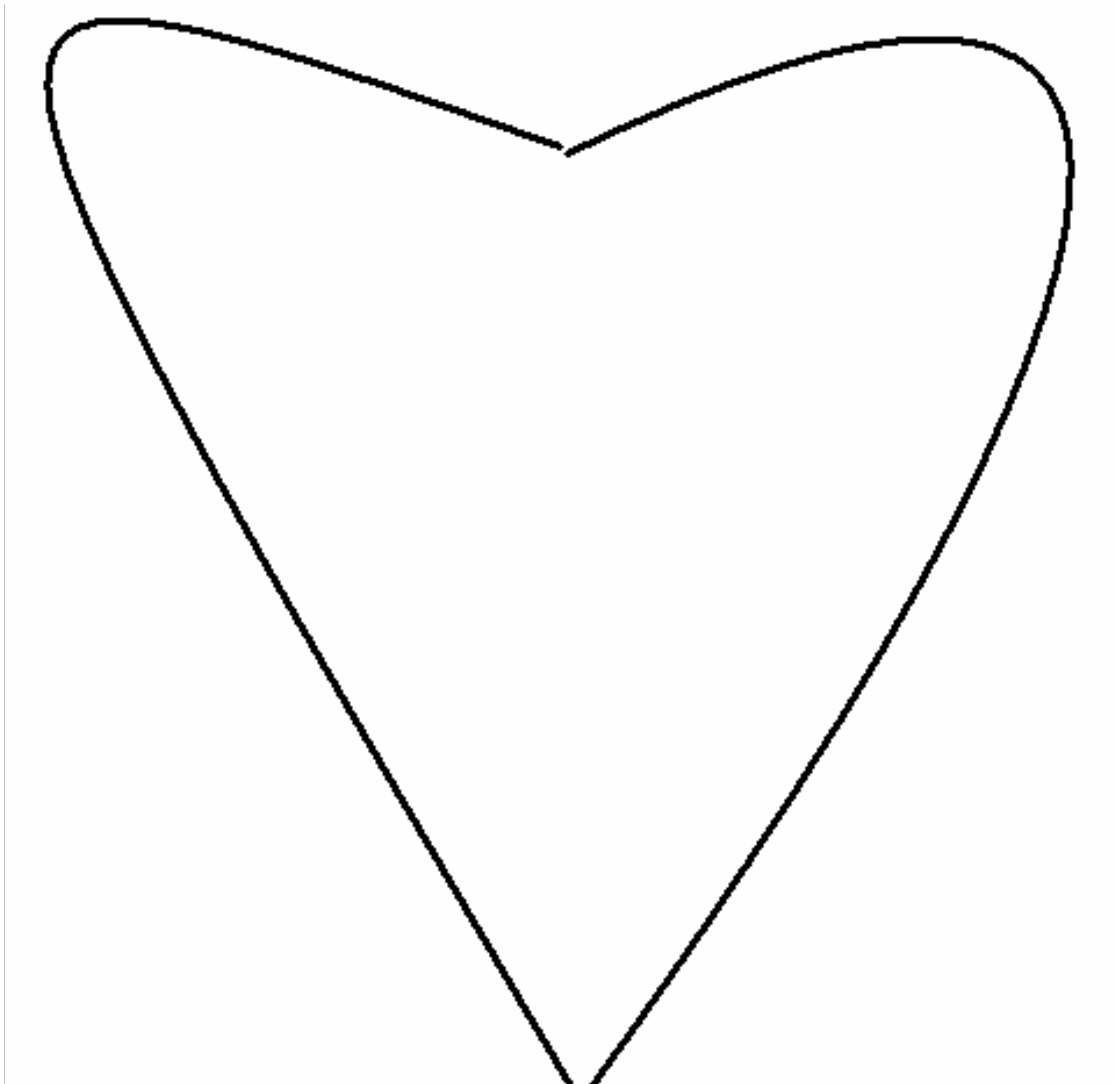

9. With the outer bag panels the right way around place the ruffle around the top of the bag on the outside facing downwards and sew into place.
10. Also attach the handles to the top of the bag facing downwards and sew into place.

sew ruffle and handles in place along top of bag

11. Turn the lining inside out and place over the bag so that the top of the lining aligns with the top of the bag. Sew the lining to the bag along the top incorporating the handles and the ruffle that you have just sewn into place.
12. Turn the lining into the bag. The ruffle and handles should all be neatly in place. Finish the bag by sewing together the bottom edge of the lining.

The End... enjoy
